

Fox Valley Initiative Welcomes Scott and Cindy Schara

2023 Mon Jul 10th 2023 6:30pm - 8:30pm

NE-Wisconsin • Fox-Valley-Initiative

FreedomProject Academy, 750 N Hickory Farm Ln, Appleton, WI 54914, USA [map](#)

APPLETON — Please mark your calendars for our next meeting, Monday, July 10. *Note this is not our usual first Monday of the month meeting.*

Our featured speakers will be Scott and Cindy Schara, whose 19-year-old daughter Grace was killed by an Appleton hospital's COVID protocols. [You can learn more about their story here.](#) The Scharas have filed a civil malpractice lawsuit against the hospital; a website for updates on the litigation has been launched [here.](#)

Scott Schara will share his daughter's story and the pain of losing a loved one at the hands of medical personnel. *It happened here in Appleton!* By sharing his daughter's story, he hopes it will help to increase the awareness of Fox Valley citizens and prevent others from experiencing what his family has had to endure. His is a compelling story that includes a message for others to be aware and alert to unethical medical practices. His family filed a landmark lawsuit on April 11, 2023 to expose the "evil agenda." We look forward to seeing you on the 10th.

You can download a flyer promoting this meeting by clicking on the paperclip link above right. Print and share with friends and family, neighbors, and supportive businesses!
